

# Curriculum Vitae: Dr Xin Zhou

## Associate Professor of Atmospheric Sciences, Chengdu University of Information Technology

School of Atmospheric Science

Tel: +86-15108308962

Chengdu University of Information Technology

zhouxin18@cuit.edu.cn

No.24 Block 1, Xuefu Road

<https://cas.cuit.edu.cn/info/1046/3120.htm>

Chengdu, Sichuan 610225, China

<https://environment.leeds.ac.uk/sec/staff/10328/dr-xin-zhou>

Nationality: Chinese

Date of birth: 13<sup>th</sup> January 1990

## Scientific Career

- **July 2018 - now.** Lecturer (2018), and now Associate Professor (2021), School of Atmospheric Sciences, Chengdu University of Information Technology.
- **Dec 2021 – Dec 2023.** Visiting research Fellow at School of Earth and Environment, University of Leeds

## Education

- June 2018. Awarded PhD in Atmospheric Sciences at Institute of Atmospheric Physics, University of Chinese Academy of Sciences, China
- June 2013, BA Natural Sciences, School of Atmospheric Sciences, Nanjing University, China

## Prizes and Fellowships

- 2013. University of Chinese Academy of Sciences 1<sup>st</sup> class honours
- 2014 Postgraduate Chinese Global Change Forum 1<sup>st</sup> Prize
- 2018 Chu Kochen Forum Excellent Paper Award
- 2021-2023 China Scholarship Council (CSC) Advanced Overseas Research Fellowship.
- 2021-2023 University of Leeds Visiting Research Fellow.
- 2022 UK national earth observation best oral presentation in Session 2A: Fusion of Satellite Data and Models for Understanding Environmental Change

## Research Students

I currently supervise (or co-supervise) 8 MS students, including Yangjie Jiang (3<sup>rd</sup> year), Zejie Tian (3<sup>rd</sup> year), Wenhui Zhang (2<sup>nd</sup> year), Guiping Zhang (2<sup>nd</sup> year), Liting Jia (2<sup>nd</sup> year), Haoran Zhou (1<sup>st</sup> year), Jie Jin (1<sup>st</sup> year), and Ruihan Gao (1<sup>st</sup> year).

## Research Funding

Since 2018 I have received over ¥1.3M funding for research from bodies including NSFC, MOST, NSFSP.

- PI on 2 National Natural Science Foundation of China (NSFC) research grants. Co-I on a further 4.
- PI on 1 Natural Science Foundation of Sichuan Province (NSFSP) grant. Co-I on a

further 1.

- Co-I on 1 Ministry of Science and Technology of the People's Republic of China (MOST) grant

## Selected Publications

#### *Ph.D. Dissertation*

Zhou, Xin (2018) The effects of the Indo-Pacific Warm Pool on the stratosphere, the potential mechanisms and comparison with ENSO

## **Skills**

### *Programing & Visualization*

Python, NCL, Adobe Illustrator, Linux, Fortran,

### *Model*

CESM, UKCA, MAPS

### *Languages*

Chinese and English
